**Double-Up Max<sup>SM</sup>:**

This Northeast Delta Dental Plan allows you to double your calendar year maximum by earning an additional \$250 per year for use in future benefit periods. Here is how it works:

- To qualify for the carryover, you must have a claim paid for either an oral exam or a cleaning during a calendar year (a focus on prevention), and your total paid claims cannot exceed \$500 during the same calendar year.
- The carryover will accumulate for each year of qualification up to an amount equal to the plan's original calendar year maximum. If, for example, the calendar year maximum is \$1,000, enrollees can ultimately achieve an annual maximum of \$2,000
- This feature does not apply to orthodontic benefits.

Please note: Groups first effective during July – December will begin qualifying for the carryover the following calendar year for benefit dollars that can be used in the subsequent year.

To the extent of any provision in this Outline of Benefits conflicts with a provision in the Dental Plan Description or Summary Plan Description, the provision in the Dental Plan Description or Summary Plan Description shall supersede and take precedence.
